

## Crafting Excellence In Every Projects

### About Us

We offer expert solutions in ducting, ventilation, cleaning, and facility maintenance. From spiral duct manufacturing to painting, plumbing, flooring, and kitchen cleaning — ExceelSteel delivers reliable, high-quality service for commercial, industrial, and residential projects.

01

ExceelSteel is a South African company specializing in ducting, ventilation, and full facility maintenance services. Our team delivers reliable, high-quality solutions tailored for factories, kitchens, commercial buildings, and more. We're committed to craftsmanship, speed, and customer satisfaction.

02

At ExceelSteel, we don't just complete projects — we craft solutions. With years of hands-on experience in ducting, cleaning, and building maintenance, we help businesses and facilities run cleaner, safer, and more efficiently. Quality is not just a promise, it's what we build into every job.

03

Driven by our slogan, "Crafting Excellence in Projects," ExceelSteel combines technical expertise with practical delivery. From spiral duct manufacturing to deep cleaning and interior upgrades, we offer a full-service approach with unmatched speed, precision, and reliability.

# Ducting & Ventilation Experts

At ExceelSteel, we specialize in high-performance ducting and ventilation systems tailored for industrial, commercial, and kitchen environments. We manufacture, supply, and install systems that meet safety, efficiency, and air quality standards.

## Our Services Include:

01

Spiral Duct Manufacturing & Installation. Custom-fabricated spiral ducts designed for durability and optimal airflow.

02

Ventilation System Design & Maintenance. Efficient airflow planning, system upgrades, and regular servicing for all types of buildings.

03

Dust Extraction Systems. Powerful extraction units for factories, workshops, and offices to maintain clean air.

04

Spray Booth Systems. Complete spray booth setups for automotive, industrial, or manufacturing use.

05

Air-Conditioning Duct Work  
Installation and repair of duct systems for HVAC and climate control solutions.

# Want a Quote?

"Our ducting systems are built to perform, built to last."

## Complete Maintenance & Interior Services

ExceelSteel provides a wide range of construction and finishing services to keep your facilities running smoothly and looking professional. Whether it's a repair, upgrade, or full renovation — we get it done right, on time.

## Our Services Include:

01

Ceiling Installation & Repairs  
Strong, clean ceiling work for commercial and industrial spaces.

02

Wall & Floor Tiling  
Professional tile work that enhances durability and appearance.

03

Interior & Exterior Painting  
Painting of walls, roofs, and ceilings using quality, long-lasting paint.

04

Flooring Installation & Maintenance  
We install and maintain tiles, vinyl, laminated flooring, and more.

05

Plumbing Services  
Reliable plumbing repairs, installations, and maintenance.

06

Roof Gutter Installation & Repairs  
Protect your structure with professionally installed or repaired gutters.

07

Blinds Installation  
Modern window coverings for commercial or residential needs.

## Want a Quote?

From floor to ceiling — we handle every detail with precision.

# Professional Cleaning Services

We keep your workspaces spotless, safe, and compliant. Whether you're running a busy kitchen, a large factory, or a commercial building — our expert cleaning team is ready to handle it.

## Our Services Include:

01

**Kitchen Cleaning & Maintenance**  
Thorough degreasing, sanitizing, and maintenance of commercial kitchens.

02

**Factory & Office Cleaning**  
Deep cleaning services tailored for work environments of all sizes.

03

**Post-Construction Cleaning**  
Dust, debris, and residue removal after any renovation or build.

04

**General Deep Cleaning**  
One-time or scheduled cleaning for high-traffic areas and shared spaces.

05

**Sanitation & Hygiene Services**  
Disinfection and sanitation solutions for health & safety compliance.

Let ExceelSteel take care of your next project — whether it's ducting, cleaning, or full facility maintenance.

## Vision

To become South Africa's most trusted provider of high-quality ducting, ventilation, cleaning, and facility services — known for excellence, reliability, and innovation across every project we deliver.

## Mission

ExceelSteel provides expert manufacturing, installation, and maintenance solutions that are fast, affordable, and built to last. We're committed to delivering value through skilled workmanship, premium materials, and a strong focus on customer satisfaction.

## P Mabena

~founder~

*"At ExceelSteel, we don't just complete projects — we build trust. With a passion for quality and a hands-on approach, I've made it our mission to deliver reliable, affordable, and professional services that our clients can count on."*

## Our Projects

"ExceelSteel installed our ducting system perfectly — fast, professional, and no mess. We were impressed by their work ethic and communication throughout the project."

— *Thabo M., Warehouse Manager*

"Their team handled our kitchen cleaning and spray booth setup with serious attention to detail. They know their work and deliver on time."

— *Nomsa K., Restaurant Owner*

"We hired ExceelSteel for floor tiling and ventilation. Everything came out exactly how we imagined. Highly recommended for any business needing reliable service."

— *Sipho D., Factory Supervisor*

"From plumbing to roof repairs and painting — they handled multiple jobs on our site professionally. The quality of their work is unmatched."

— *Lerato N., Facilities Manager*
